

'PARENTPAY' - CASHLESS PAYMENT SYSTEM FOR SCHOOL MEALS

Frequently Asked Questions

How do I use ParentPay?

The school will issue you with a unique username and password a week before the launch date. Once you receive these, just go to www.parentpay.com and login with the details. Accept the ParentPay terms and conditions, complete the Title, Forename, Surname and Email address fields in your 'Profile' page and **change your password and username to something memorable**. Registering your e-mail address enables us to send receipts of payments and the school can notify you easily when payments need to be made. That's it, now you can start making hassle free, secure payments to your child's school whenever you like.

What cards can I use?

ParentPay accepts MasterCard and Visa credit cards and Maestro, Switch, Delta, Electron, Solo and Visa debit cards. Some schools may limit the use of credit cards for some transactions; you will be informed by the school directly of any such restrictions.

Is it safe to make payments on the internet?

YES. In fact, it's as safe to pay online with ParentPay as it is to use your credit card in a shop or over the phone! ParentPay uses leading technology to process your credit/debit card transactions securely. All communication with the bank is encrypted (jumbled up so no one else can read it). Neither ParentPay nor the school have access to your card details and your card details are never kept by ParentPay or the school.

How can I check that it's secure?

Standard website addresses begin with 'http' whereas the address for a secure site will always begin with 'https'. You will also see a 'padlock' at the bottom right of the screen. Never enter your card details or personal data on any web page whose address does not start with 'https'.

What about our personal information?

ParentPay uses a very limited amount of information about you and your child solely for the purpose of administering your account; we do not share or give information to any other organisations. We operate under strict guidelines set out by the Data Protection Act 1998, which ensures the protection and care of personal information. This means that any information you give us electronically will only be used for the purpose that you intended.

ParentPay will NEVER contact you by phone, email or mail and ask you to divulge confidential information like passwords or card numbers. If you are ever contacted by someone claiming to be from ParentPay, please contact us immediately on 08700 420550.

When can I access my ParentPay Account?

A unique user ID and password will be sent out to all parents by the school by the 30th of January '09. You will be able to access your account and make any payments **from Monday 2nd February 2009**.
